Trenam enjoys a rare position among Florida's law firms. We are recognized as a leader in the State, ranking among the top law firms in size and breadth of practice. We are proud that our firm and most of our attorneys are listed in third party publications and directories including, *The Best Lawyers in America*, *Chambers USA*, *Florida Super Lawyers*, *Florida Trend*, *Legal Elite*, *Martindale Hubbell*, and *U.S. News & World Report Best Law Firms*.

Trenam serves the needs of our clients in the Tampa Bay community with offices in Tampa and St. Petersburg, Florida. We have over eighty attorneys practicing in multiple practice groups, all sharing the goal of working with clients to establish cost effective, highly automated and responsive representation. Our attorneys value relationships over projects, and we strive in all instances to be not just attorneys, but reliable partners and trusted advisors to our clients.

Founded in 1970, Trenam has evolved to meet the changing needs of our clients. Our flexibility has allowed the firm to develop and retain clients, both large and small, across a wide range of industries including retail, real estate, development, banking, manufacturing, chemical, financial services and technology. Our ability to represent clients in all facets of their business, from litigation to complex business transactions, at reasonable rates has allowed us to grow at a rapid pace.

We operate on the simple principle that achieving success for our clients is paramount. That means phone calls get returned, questions get answered and problems get solved. We are sensitive to our clients' need to minimize expense without forfeiting the quality of service they deserve and we deliver.
