Mediation and Arbitration

When disputes arise, mediation or arbitration is often an attractive solution as it may save time and money for the parties involved. This form of dispute resolution is also confidential as opposed to a public trial. If alternative dispute resolution is part of your strategy, Trenam's mediators and arbitrators have the experience you need.

Our Mediation and Arbitration Group is comprised of seasoned litigators with decades of experience. Trenam's mediators are Florida Supreme Court Certified and our arbitrators are members in good standing on the panel of neutrals for the American Arbitration Association.
